Students will be assessed on their participation and effort at each rehearsal. In addition, students will be given quizzes using the rubric outlined above. Quizzes will be given in small groups. If you are absent on the day of a quiz, you have 1 week to make it up. Not making up a quiz will result in lowering of your grade, and subsequent misses will result in termination of membership.

Students must participate in both scheduled concerts. Concerts should only be missed in the event of an emergency or illness. If a concert is missed, a written or signed note by parent or guardian explaining the problem must be submitted to the teacher. In addition a written assessment of the concert is expected. A video of the concert will be provided.

Because the success of the group is dependent on each person's effort in and out of class, the teacher reserves the right to replace any member who is not contributing.
